

G1000 Transition Training

DA40CS/DA40FP

State of the Art – Single Engine

DA42

Higher - Faster – Twin Engine

App. 3hrs Ground time \$210.00

Module G1 (app.1hr)

- DA40 G1000
- Systems knowledge DA40
- Systems knowledge G1000

Module G2 (app. 2hrs)

- G1000 equipment
- PFD
- MFD
- Autopilot
- Emergencies

4hrs Flight DA40 FP & 1hr Simulator time \$1,179.00

4hrs Flight DA40 CS & 1hr Simulator time \$1,179.00

Module F1 (app.1hr)

- Simulator - flight characteristics and performance intro to the PFD

Module F2 (app.2hrs)

- Intro to the MFD, “a world of information” integrating the KAP140 Autopilot

Module F3 (app.2hrs)

- Putting it all together, using the Glass cockpit effectively, flying instrument approaches

G1000 VFR/IFR kit & Simulator for PC \$265.00

Total DA40FP \$1,654.00
Total DA40CS \$1,654.00

App. 3hrs Ground time \$210.00

Module G1 (app.1hr)

- DA42 Performance
- Systems knowledge DA42
- Systems knowledge G1000

Module G2 (app.2hrs)

- G1000 equipment
- PFD
- MFD
- Autopilot
- Emergencies

4hrs Flight & 2hrs Simulator time \$2,502.00

Module F1 (app.2hrs)

- Simulator - flight characteristics and performance intro to the PFD

Module F2 (app.2hrs)

- Intro to the MFD, “a world of information” integrating the KAP140 Autopilot

Module F3 (app.2hrs)

- Putting it all together, using the Glass cockpit effectively, flying instrument approaches

G1000 VFR/IFR kit & Simulator for PC \$265.00

Total \$2,977.00

Prices are subject to change without prior notice. Additional charges –such as fuel surcharge- may apply. Flight and ground training times included but are not limited to hours listed above.
